PETITION FOR CANCELLATION

Petitioner, Nutri Asia, Inc. ("Nutri Asia") believes it is damaged by U.S. Registration No. 3,334,648 issued November 13, 2007, for the mark UFC, and hereby petitions for cancellation of the same, and alleges as follows:

1. Nutri Asia, Inc. is a corporation organized and existing under the laws of the Philippines with its principal place of business at 12th Floor, Centerpoint Building, Julia Vargas Avenue, Ortigas Center, Pasig City, Metro, Manila, 1600 Philippines.

2. On information and belief, Registrant Universal Food Public Company Limited ("Universal" or "Registrant") is a company organized in Thailand with an address at 947/157 Moo 12 Bangna-Trad Road Bangna, Bangkok 10260, Thailand.

3. The United States Patent and Trademark Office TARR database records identify Universal as the owner of U.S. Registration No. 3,334,648 (the "Registration"), dated November 13, 2007, for the mark UFC for: "preserved vegetables and preserved fruits" in International Class 29. Attached as Exhibit "A" is a true and correct copy of the TARR extract for the Registration.

4. Nutri Asia is a leading producer, marketer and distributor of quality sauces and

preserved fruits and vegetables under a variety of well-known brands, including the UFC brand, which it acquired by corporate merger with UFC Philippines, Inc. in January 2009. Attached as Exhibit “B” is a true and correct copy of the notice of recordation of assignment document, recording the change of ownership for Registration No. 3,730,682 and App. Ser. No. 77/626,720 by merger at Reel/Frame 4159/0809.

5. Since long prior to the date of the Registration or the filing date of the application that matured into the Registration, Nutri Asia, through its predecessor-in-interest UFC Philippines, Inc., has been making, selling and/or offering sauces and preserved fruits and vegetables in the United States, Canada and more than 25 other countries in Europe, the Middle East and Asia.

6. Nutri Asia owns Registration No. 3,730,682 for “sauces” in Class 30 (*See* Exhibit “C”) and pending App. Ser. No. 77/626,720 for “preserved fruits and vegetables” in Class 29 (*See* Exhibit “D”) for the following mark (the “UFC Design”):

7. Further, Heinz UFC Philippines, Inc., a Nutri Asia predecessor-in-interest, owned U.S. Registration No. 2,054,202 for the UFC Design, which issued April 22, 1997, for “preserved fruits and vegetables.” While the registration was cancelled under Section 8 in 2008 for inadvertent failure to file an affidavit of use, the UFC Design mark therein has remained in use in the United States and has not been abandoned. The UFC Design mark has been used in the United States in connection with a variety of sauce and preserved fruit and vegetable

products, including without limitation bananas in syrup, chick peas, coconut gel, jackfruit, mixed fruit and beans, pineapple gel, purple yam spread, sugar palm fruit, white beans, banana sauce and tomato sauce.

8. There is no issue as to priority. Nutri Asia, through its predecessors, began actual and constructive use of its UFC Design mark in U.S. commerce long prior to Registrant's filing of the application on February 3, 2006 that resulted in the issuance of the Registration on November 13, 2007. Nutri Asia has extensive prior common law rights as it has used the UFC Design mark in connection with sauces, preserved fruits and preserved vegetables in U.S. commerce since at least as early as 1997. Through this use, Nutri Asia has established valuable goodwill in the UFC Design mark, and the relevant public has come to associate the mark as an indication of products that emanate from Nutri Asia.

9. Nutri Asia and its predecessors have advertised and promoted its goods produced, marketed and distributed under the UFC Design mark. As a result of the same, The UFC Design mark has acquired a favorable reputation among members of the purchasing public and has become a valuable source of goodwill.

10. On information and belief, Registrant did not have a *bona fide* intent to use the UFC mark in U.S. commerce for the goods cited in the Registration when it filed App. Ser. No. 78/806,729 based on Section 44(e) for the mark covering the goods therein.

11. On information and belief, Registrant has not used the UFC mark in connection with the registered goods in U.S. commerce and has therefore abandoned the mark.

12. Nutri Asia is damaged by Universal's registration of the UFC mark because Universal has obtained statutory rights in the mark in violation and in derogation of the established prior rights of Nutri Asia in its UFC Design mark.

13. Nutri Asia is further damaged in that its pending App. Ser. No. 77/626,720 for the UFC Design mark has been finally refused by the Examining Attorney on the basis of likelihood of confusion with Registrant's UFC mark in Registration No. 3,334,648.

14. Registrant's UFC mark and Nutri Asia's UFC Design mark are similar in sight, sound and meaning. Further, Registrant's goods are identical and highly related to those of Nutri Asia. Therefore, the public is likely to be confused, to be deceived, and to assume erroneously that Registrant and Registrant's goods are in some way connected with, sponsored by, or affiliated with Nutri Asia, all to Nutri Asia's substantial detriment.

15. The continued registration of the UFC mark by Registrant in connection with the identical and highly related goods "preserved vegetables and preserved fruits" is likely to cause confusion or to cause mistake or deception in the marketplace, and among consumers with Nutri Asia's UFC Design mark, resulting in damage to Nutri Asia. Likelihood of confusion in this case is increased by the high degree of recognition of Nutri Asia's UFC Design mark as a distinctive indicator of the origin of Nutri Asia's goods.

WHEREFORE, Nutri Asia, Inc. respectfully prays that U.S. Registration No. 3,334,648 for the mark UFC be cancelled and that the Board grant such other and further relief as may be just and proper.
